If you chose this method of delivery, the data files for this request will be posted to the secure TCEQ FTP server. To receive the files, you will first need to sign up for an account using the following instructions:

1. From https://ftps.tceq.texas.gov/ut.php , select the Sign up a new account button.
2. Enter the required information and select Submit.
3. An email will be sent to the email address you provided. Follow the instructions in the email to set your password.
4. Send a reply to this email stating the email address used to create the account.

Once the files have been compiled and posted, an automated email alerting you that the files are ready to be retrieved will be sent to the email address provided in Step #4.

If you encounter any questions or issues setting up an ftp account, please see https://ftps.tceq.texas.gov/help/   or send a message from https://ftps.tceq.texas.gov/contactus.php.
